

**NEW REVOLUTIONARY FORMULA  
THE ENVIRO-TERRA ADVANTAGE**

Every once in a while a product comes along that changes forever the way things are done. **Enviro-Terra RTU** is such a product. This acid replacement was developed to meet the needs and demands of the market place for safety without compromising cleaning performance. **Enviro-Terra RTU** is a powerful yet safe multi-functional cleaner that combines the high cleaning performance of an acid with the mildness of liquid dish soap.

**DIRECTIONS FOR USE**

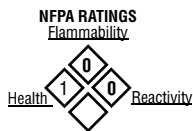

Spray foam on surface to be cleaned or apply with damp sponge or cloth. Let **Enviro-Terra RTU** work before wiping surface clean. Allow **Enviro-Terra RTU** to remain on surface a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Rinse thoroughly with clean water or wipe with a clean damp sponge or cloth. Spot check hidden area of surface to be cleaned first.

Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.

**PLEASE NOTE:** This product should not be used on marble. Test on an inconspicuous area, if uncertain.
