

- Formulated with Aloe and the antioxidant Vitamin E to moisturize the skin.
- This effective formula cleans hands while killing bacteria.
- Towels are made from a non-abrasive fabric that is gentle to skin.
- Unlike runny sanitizing gels, wipes do not cause a mess.

DIRECTIONS FOR DISPENSING:

1. Remove lid by lifting upward. 2. Pull towel from center of the roll and thread through "X" on the underside of lid. 3. Close lid. Pull towel at 90° angle. 4. Snap hinged cap back into place to ensure towels stay moist.

DISPOSAL:

Offer empty container for recycling. If recycling is not available, discard container in trash. Discard towel in trash after use. Do not flush.
