

This product is formulated to give you sparkling clean tubs, tiles and bath fixtures. It makes a thick foam that clings to vertical surfaces for superior cleaning power and fewer streaks. High performance detergents and mild acid cleaners will quickly remove the toughest iron stains, hard water deposits and soap scum.

DIRECTIONS

Use a foaming trigger sprayer for best results. Apply foam to the surfaces and allow to act for several seconds. Wipe away soils and stains with a damp sponge or cloth, or rinse with clean water.

Do **NOT** use on marble, colored grout or polished aluminum surfaces.

FOAMING TILE & SHOWER CLEANER

REMOVES TOUGH MINERALS
STAINS AND SOAP SCUM

READY TO USE
MILD ACID CLEANER
