

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**  
**CAUTION**

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Keep people and pets out of treated areas until sprays have dried.

**FIRST AID**

**If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

For Emergency Medical Information, call the National Pesticide Information Center at 1-800-858-7378.

**ENVIRONMENTAL HAZARDS**

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

**NOTICE:** Read the entire label. Use only according to label directions. Before using this product, read "Warranty Disclaimer", "Inherent Risks of Use", and "Limitations of Remedies" at end of label. If terms are unacceptable, return at once unopened.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**General Information**

CONTACT HERBICIDE #1 RTU kills most broadleaf and grass weeds. This product may be used for non-selective weed control around patios, walkways, driveways and fences, in vegetable or flower gardens and around trees and shrubs and other landscaped areas. Applications to plant foliage are rainfast in approximately two hours and afterward will not be affected by rainfall or irrigation.

**How This Product Works**

The active ingredient in this product is active against a substance found only in plants. It enters the plant through foliage and is translocated throughout the plant, killing both roots and top growth. This product is not active in soil and cannot move through the soil to damage desirable plants. Sprays not absorbed by plants are broken down into natural materials.

**What To Expect**

Weeds may begin to wilt within a few hours, but complete kill may require 1 to 2 weeks. Small, rapidly growing weeds may be killed with a single application while older, mature weeds may require re-application. If re-application is necessary, wait until new growth appears.

**Important Use Precautions**

Do not spray during windy conditions or allow the spray to contact desirable plants such as flowers, ground covers or lawn areas, as they will be severely damaged or killed. In situations where weeds and desirable plants are in close proximity, use a piece of cardboard or plastic to shield desirable plants from the spray. If a desirable plant is sprayed by mistake, immediately rinse the plant with water. Before sprays have dried, avoid inadvertent transfer of the spray solution from treated plants to desirable plants or tracking spray from treated areas onto lawns or other desirable vegetation.

**CONTACT  
HERBICIDE #1  
R-T-U**

For control of all types of broadleaf and grass weeds on walks, driveways, gardens, flower beds, along fences, and around trees and shrubs.

One Gallon Treats 300 Square Feet

For Outdoor Use Only  
Ready To Use

Easy to Use

No Mixing Required/Necessary  
Kills Weeds, Roots and All

Rainproof in 2 Hours for control that won't wash away

Active Ingredient:

Glyphosate, isopropylamine salt . . . . . 0.96%

Other Ingredients . . . . . 99.04%

Total . . . . . 100.00%

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

**APPLICATION**

**For Best Results**

- Apply when weather is warm (above 60°F) and sunny to stimulate systemic movement from foliage to roots.
- To avoid spray drift to desirable vegetation, adjust spray nozzle to produce large droplets and spray when wind is calm.
- Spray foliage until thoroughly wet, but not past the point of runoff.
- Apply when weeds are small and actively growing, before seeds develop.

**How To Apply**

- Adjust the spray nozzle to produce large droplets. Small droplets or mists are more likely to drift and cause damage to desirable plants.
- Spray the weeds until the leaves are thoroughly wet, but not past the point of runoff.
- If a desirable plant is nearby, a piece of cardboard or plastic should be used to shield the plant from the spray.

**To Re-Fill This Container**

The spray container containing Contact Herbicide #1 R-T-U may be reused by re-filling it with a mixture of 1 tablespoon of Contact Herbicide #2 Concentrate Grass & Weed Killer per cup of water.

**Terms and Conditions of Use**

If terms of the following Warranty Disclaimer, Inherent Risks of Use, and Limitation of Remedies are not acceptable, return unopened package at once to the seller for a full refund of purchase price paid. Otherwise, use by the buyer or any other user constitutes acceptance of the terms under Warranty Disclaimer, Inherent Risks of Use and Limitations of Remedies.

**Warranty Disclaimer**

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. SELLER MAKES NO EXPRESS NOR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

**Inherent Risks of Use**

It is impossible to eliminate all risks associated with use of this product. Lack of performance, or other unintended consequences may occur due to such factors as use of the product contrary to label instructions (including adverse conditions noted on the label, such as unfavorable temperature, soil conditions, etc.), abnormal conditions (such as extreme weather conditions), presence of other materials, the manner of application, or other factors, all of which are beyond the control of Seller. All such risks shall be assumed by Buyer.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool dry place out of the reach of children and domestic animals. Store in original container only. Do not allow this product to freeze.  
**IF EMPTY:** Do not reuse this container. Place in trash or offer for recycling if available.  
**IF PARTLY FILLED:** Call your local solid waste agency or (1-800-CLEANUP) for disposal instructions. Never place unused product down any indoor or outdoor drain.
