

Sunscreen Wipes are the most convenient way to protect your skin from the harmful rays of the sun! Each wipe provides effective SPF 30 protection against dangerous UVA and UVB rays. The quick-absorbing, aminobenzoic acid (PABA)-free formula is also enriched with Vitamin E to keep your skin looking and feeling fresh and clean. Sunscreen Wipes are oil-free and continue working for up to 80 minutes of heavy perspiration or water activity.

Sun Alert: Limiting sun exposure, wearing protective clothing and using sunscreens may reduce the risks of skin aging, skin cancer and other harmful effects of the sun.

Disposal: Offer empty container for recycling. If recycling is not available, discard container in trash. Dispose of wipe in trash after use. Do not flush.

DIRECTIONS FOR DISPENSING:

1. Remove lid by lifting upward.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

Canister made from 25% post-consumer recycled plastic.
