DESCRIPTION

CRÉME CLEANSER is a mild abrasive cleanser designed for tough cleaning jobs. Use it on showers, countertops, bathtubs and tile walls and floors to remove stubborn stains and soils. CRÉME CLEANSER will remove spots, scuffs, mildew stains, water deposits, soap scum and grease accumulations with just a light rubbing action.

Recommended for cleaning those tough-to-remove soils and stains in schools, manufacturing plants, hotels, motels, hospitals, nursing homes and institutional settings.

CRÉME CLEANSER is safe to use on all kinds of surfaces, including: glazed porcelain, glazed ceramic, chrome, formica, fiberglass and other hard, inanimate, non-porous surfaces that are not easily scratched or harmed by mild abrasive cleaners.

DIRECTIONS

Squeeze directly on surface or on wet cloth, sponge or brush. Loosen soil with rubbing action. Rinse. For a bright shine, polish with a soft, dry cloth.
