

STEAM & PRESSURE WASH CONCENTRATE

Formulated to provide fast effective cleaning. Quickly removes grime, oil and grease, road film and other heavy-duty tough soils from fiberglass, vinyl, industrial equipment, black streaks on RV's, concrete, gutters, vehicle engines and removes carbon from surfaces.

DIRECTIONS

Adjust the feed rate of steam cleaner to obtain the dilution of 1:20 up to 1:40.

Heavy deposits may require more concentrate, and lighter deposits may require less.

Be sure to rinse the steam cleaning equipment with clean water after each use. Do not use on aluminum. Caution must be used to determine suitability on painted surfaces.

STRIPS AWAY
