

This powerful degreaser and cleaner works in temperatures down to -20°F for quick cleaning and deicing of all cold storage and freezer areas. It melts through ice to strip away tough grease, grime, fats and dirt. This cleaner is safe to use on all metal, concrete, tile, plastic, rubber and other painted surfaces.

**DIRECTIONS**

This product is ready-to-use - Do Not Dilute. Spray or swab onto dirty surfaces. Scrub with a stiff brush to loosen and suspend soil. Remove soiled solution with a wet vac, clean mop, sponge or cloth.

Food products must be removed or protected during cleaning operations, and food contact surfaces must be rinsed thoroughly with potable water before use.
