

This unique product, the result of the latest developments in concentrate technology, is designed to be easily blended into a concentrated product or a ready-to-use non-butyl cleaner concentrate. No special equipment, complicated multi-ingredient additions or extensive mixing times required! This unique product can be diluted in two ways: a potent concentrate that can be further diluted to provide maximum performance at optimum economy; or as a ready to use non-butyl cleaner to accomplish all cleaning chores quickly and easily. The natural citrus extract, d'limonene, provides superior grease cutting action to perform even under the most difficult conditions.

DIRECTIONS:

To formulate a Ready To Use Cleaner: Dilute 1 gallon with 6 gallons of softened water to make 7 gallons of Ready To Use Cleaner. Blend well and package immediately.

To use, just spray on, then rinse with clean water. For tough stains, allow to sit for 2-3 seconds on the stain before rinsing.

To formulate a Concentrated Cleaner: Dilute 1 gallon with 2 gallons of softened water to make 3 gallons of Concentrated Cleaner. Blend well and package immediately.

For general cleaning, dilute 2-4 ounces in a gallon of water and spray and wipe. For difficult stains, use 10-12 ounces in a gallon of water.

To formulate a Ready To Use Cleaner from the Concentrate: Dilute 1 gallon with 3 gallons of water to make 4 gallons of Ready To Use Cleaner.

ULTRA ORANGE SQUIRT CONCENTRATE

POWERFUL NON-BUTYL CLEANER UTILIZES
THE POWER OF NATURAL D-LIMONENE
SAFE - NON-TOXIC - NON-FLAMMABLE

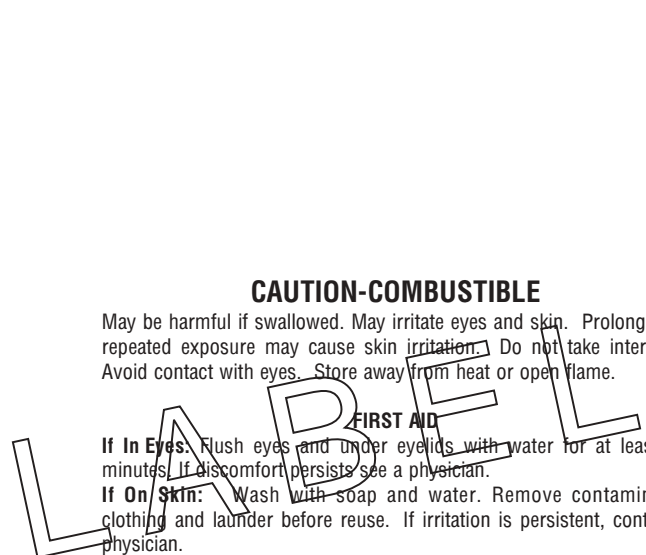

CAUTION - COMBUSTIBLE

May be harmful if swallowed. May irritate eyes and skin.
