

AUTOMATIC POWDER HEAVY DUTY DETERGENT

HEAVY DUTY MACHINE DISHWASHING DETERGENT WITH 1% CHLORINE

LOW FOAM

BIODEGRADABLE

Richco® AUTOMATIC POWDER contains a powerful blend of cleaning agents to cut through heavy food build-up, dried-on deposits and stubborn grease and oil. Special sequestering agents assure thorough cleaning of glass, porcelain, metal, plastic and earthenware, even in hard water. 1% chlorine cleans tough protein soil and removes stubborn stains like coffee from all surfaces. This low pollution formula contains less than 8.9% phosphorus and biodegradable surfactants.

DIRECTIONS FOR USE

Rack dishes and pre-rinse. Use 1/3 ounce of **Richco® AUTOMATIC POWDER** per 1 gallon of water in the wash tank for continuous feed equipment. Powder feeding equipment should be kept charged with detergent. If there is no detergent feeding equipment, add 1 heaping tablespoon of **Richco® AUTOMATIC POWDER** for each rack of dishes. Hard water areas may require additional amounts of detergent. Rinse with hot

water (180°F. or above). Not intended for hand use.

Richco® AUTOMATIC POWDER may also be used as a heavy duty detergent for cleaning floors, walls, utensils and equipment in food processing plants. Use 1/4 to 1/2 cup per 1 gallon of warm or hot water. Remove or carefully protect food products and packaging materials. Rinse all surfaces thoroughly with potable water.

WARNING

HARMFUL IF SWALLOWED.

Eye irritant. Do not take internally. Avoid contact with eyes. Do not mix with any other chemical.

FIRST AID:

IF SWALLOWED: Give person several glasses of water followed with citrus fruit juice. Do NOT induce vomiting. Obtain immediate medical assistance.
