

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Harmful if absorbed through skin. Vapor harmful. Causes skin irritation. This product may cause skin sensitization reactions in some people. Do not breathe vapor or mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. When mixing, loading, or applying this product or repairing or cleaning equipment used with this product, wear eye protection (face shield or safety glasses), chemical-resistant gloves, long-sleeved shirt, long pants, socks and shoes. Wash hands, face and arms with soap and water as soon as possible after mixing, loading, or applying this product. Wash hands, face and arms with soap and water before eating, smoking or drinking. Wash hands and arms before using toilet. After work, remove all clothing and shower using soap and water. Do not reuse clothing worn during previous day's mixing and loading or application of this product without cleaning first. Clothing must be kept and washed separately from other household laundry. Remove and wash contaminated clothing immediately.

FIRST AID

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquids to the person. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information on this pesticide (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378.

NOTE TO PHYSICIAN: May pose an aspiration pneumonia hazard. Contains petroleum distillate.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE: Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

ENVIRONMENTAL HAZARDS

This product is harmful to fish and wildlife. This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water or areas where surface water is present, or intertidal areas below the mean high watermark. Do not contaminate water when disposing of equipment washwaters. Do not apply directly to or allow to come into contact with susceptible plants such as vegetables, flowers, fruit trees, ornamentals, cotton, beans, peas, grapes or other desirable plants. Avoid spray drifts to such plants. Do not store near fertilizers, seeds, insecticides or fungicides. Do not apply when ground is frozen. Do not apply to areas underlain by roots of desirable trees and shrubs.

**NON-SELECTIVE PERSISTENT GENERAL
HERBICIDE FOR USE WHERE CONTROL
OF ALL VEGETATION IS DESIRED**

RAPID TOP KILL—SYSTEMIC HERBICIDE

READY-TO-USE

SOIL STERILANT

ACTIVE INGREDIENTS:

Isocetyl: (2-Ethylhexyl ester) of
2,4-Dichlorophenoxyacetic acid1.09%

Bromacil (5-Bromo-3-sec-butyl-6-
methyluracil)0.98%

INERT INGREDIENTS: 97.93%

TOTAL100.00%

2,4-dichlorophenoxyacetic acid equivalent 0.63%

Isomer specific AOAC Method No. 6. DO 1-5.

Contains petroleum distillates, xylene, or xylene range aromatic solvent.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

See side panel for further precautions
and first aid instructions.

**EPA REG. NO. 10088-114-68562
EPA EST. NO. 10088-WI-1**

NET CONTENTS: 17 oz. (486 g.)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its label. **READ ENTIRE LABEL BEFORE USING THIS PRODUCT. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

Not to be used in any recreational areas or in or around homes.

Recommended for use on non-crop areas such as fence rows, parking lots, around buildings, loading ramps, storage yards, tank farms, along pipelines, industrial plant sites and other similar areas where grasses and weeds interfere with drainage, create a fire hazard or cause unsightly appearances.

This weed killer is composed of 5-bromo-3-sec-butyl-6-methyluracil (Bromacil) and low volatile 2,4-D Ester. The low volume oil carrier provides rapid penetration and translocation in the plant. The insolubility of the herbicide in water assures full effect regardless of rainfall after application or stage of growth at time of application.

This weed killer may be applied at any time of the year except when the ground is frozen. Best results are obtained after predominant weeds have emerged and developed to a point where they present a problem. Reapplication of product will depend on amount of product applied, soil conditions, rainfall and other environmental variables. Only spray while can is inverted.

For annual weeds and grasses such as crabgrass, foxtail, barnyard grass, lambsquarter and pigweed, 1 can covers up to 133 square feet.

DIRECTIONS

- 1) Remove cap.
- 2) Invert the can and point tip at weed(s) to be sprayed.
- 3) Depress button and spray weed(s) thoroughly. Be sure to completely cover the weed(s). Keep can close to weed(s) (1-2 feet) while spraying. Keep spray away from face.

USE PRECAUTIONS

IMPORTANT: Do not use this product for controlling weeds on lawns, in flower or vegetation beds or around shrubs or ornamental plantings. Do not spray exposed roots of desirable plants or where chemical may be carried into contact with roots or vegetation. Product may stain surfaces (e.g. concrete, asphalt, tennis courts)

Spray when air is calm to avoid spray drift that might injure desirable ornamental plants.

NOTICE: Buyer assumes all risks of use, storage and handling this product not in strict accordance with directions given herewith.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Do not store near heat or open flame. Store in a cool dry area away from children.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Replace cap and discard container in trash. Do not incinerate or puncture.
