KEEP OUT OF REACH OF CHILDREN

REORDER FROM:

GOLDSTAR PRODUCTS, INC.

P.O. Box 291630

Davie, FL 33329

1-800-239-5699

DESCRIPTION

This product does not mix with water allowing it to float on the surface of wastewater contained in the lift station. It will rise and fall with the level of wastewater to keep walls, pumps, hoses, etc. clean and functioning properly. The special soybean oil derivative does not evaporate as quickly as other solvents, so it remains on the surface of the wastewater longer to penetrate and dissolve wastewater deposits.

DIRECTIONS

Simply pour product into the lift station. Use approximately 1/2 gallon for every square foot of wastewater surface area.

CAUTION - COMBUSTIBLE

May be harmful if swallowed. May irritate eyes and skin. Keep away from heat, spark or open flame. Do not take internally. Avoid contact with eyes and prolonged contact with skin.

FIRST AID:

If Swallowed: Give person several glasses of water. Do NOT induce vomiting. Obtain medical assistance.

If In Eyes: Flush eyes and under eyelids with plenty of cool water for at least 15 minutes. Obtain medical assistance.
