

SPID-A-WAY

DISCOURAGES FORMATION OF COBWEBS

Spid-A-Way is a safe and biodegradable product. Spid-A-Way will not stain and has no lasting odor. It is safe for use around humans and pets. Spid-A-Way can be used indoors or outdoors or wherever spider webs or cobwebs are apparent. Used properly, Spid-A-Way is highly effective on all types of surfaces in discouraging the formation of web growth.

DIRECTIONS: Adjust nozzle for mist or stream. Spray Spid-A-Way on surface to completely saturate the area. While surface is wet, use stiff brush or broom to remove any existing webs. Rinse if necessary to remove webs. Apply fresh mist of Spid-A-Way over entire surface. Do not rinse. Apply every two to three months to continue discouraging the formation of webs.

CAUTION:
KEEP OUT OF REACH OF CHILDREN
See right side panel for First Aid Statement and other precautions.

NFPA / HMIS CODES
Least = 0 Slight = 1 Moderate = 2
High = 3 Extreme = 4
Health = 0, Flammability = 0, Reactivity = 0
Protection: Safety glasses and rubber gloves.

SKIN: Wash immediately with soap and water.
EYES: Flush with water. If irritation persists, call physician.
INGESTION: DO NOT induce vomiting. Give 1 to 2 glasses of water to dilute substance and call a physician immediately. Never give anything by mouth to an unconscious person.
INHALATION: If symptoms of overexposure are experienced, evacuate to fresh air. Consult physician if breathing is difficult.

NON-TOXIC: This material has a low level of toxicity and is not considered hazardous as defined by USDL Safety and Health Regulation (29 Section 1501.2)

MAY CAUSE EYE IRRITATION

INGESTION: Give 8 to 16 ounces of water to dilute substance. Call a physician or local Poison Control Center immediately. Never give anything by mouth to an unconscious person.
EYES: Flush eyes with water for at least 15 minutes. If irritation persists, call a physician.
SKIN: If skin becomes irritated, rinse with water.
INHALATION: If symptoms of over exposure develop, remove to fresh air.

WARRANTY STATEMENT: The manufacturer warrants that this material conforms to the description on the label. The manufacturer neither makes nor authorizes any agent or representative to make any other warranty, either expressed or implied, regarding the effectiveness, use, or application of this product. The preceding applies whether or not specific recommendations were made or followed.
