

ENVIRO MELT

LOW TEMPERATURE ICE MELTER

Melts snow and ice to -20°F.

Will not harm lawns, trees or shrubs.

Ideal for driveways, sidewalks and steps.

Spread at the rate of about 1/4 cup per sq. yd. Leaves no messy white residue to coat sidewalks or to be tracked into buildings. Remove slush immediately to prevent penetration of porous areas and cracks in the concrete, as continual thawing and freezing action can cause damage to poor quality concrete. Will not harm carpet or flooring.

PRECAUTION:

Do not use on concrete less than 1 year old. This product should not be used on pre-cast concrete steps, pre-cast masonry walks or steps, or on any questionable quality concrete or used in excessive amounts. Excessive amounts may cause surface flaking or scaling and increase the freeze/thaw cycle increasing the chance of chipping and cracking.

WARNING:

HARMFUL IF SWALLOWED.

Contains Potassium Chloride.

If Swallowed, contact physician or poison control center immediately. Give person 1-2 glasses of water and induce vomiting. Never give anything to an unconscious person.

KEEP OUT OF REACH OF CHILDREN
