

917 Kit

Ready Patch

Emergency Roof Repair Kit

Ready Patch is the quick fill kit for handling emergency leaks and breaks in roofs. Ready Patch can quickly be applied to roofs to fill and divert water from problem areas. Apply Ready Patch directly to affected areas and smooth evenly over area. Ready Patch can be applied during light rain, but should be applied during a heavy rain. No mixing, no mess. Polymeric patch will form quickly and begin hardening immediately.

KEEP OUT OF REACH OF CHILDREN

May cause irritation to eyes and skin. Do not allow contact with eyes or skin. If contact occurs, rinse with water for 15 minutes. If irritation persists, do not ingest. Contains water, detergents, solvents, and cleaners.
